RICHMOND CLUB MEMBERS ARE WITNESSES IN MRS. JACK MARTIN'S SEPARATION SUIT

A large number of women friends of Mrs. Jack Martin, who is suing the local saloon keeper for divorce, testified yesterday before Judge McKenzie at Martines. Mrs. Martin is a member of the Richmond Club and a number of memberes of that organization were witnesses.

At the conclusion of the hearing yesterday afternoon the case was continued to Tuesday.

Mrs. Martin charges extreme cruelty. The specific charges are unprintable.

The following local women were witnesses, their testimony substantiating that of Mrs. Martin: Mrs. S. Detlow, Mrs. Lily Zobist of San Francisco, Mrs. Ballard, Mrs. Fred Zimmerman and Mrs L. A. Gibson. S. Detlow also testified, as did Mrs. Martin.

Attorney Wildgrube represented Mrs. Martin and Attorney De Lap, Mr. Martin.

McLAUGHLIN AND CUTTING ASKED TO PAY BOND

Major D. W. McLaughlin and H. C. Cutting, well known local realty men, are defendants in a suit in the Superior Court of Alameda county, in which the county asks that the local men be compelled to make good $2500 bond money which they put up for G. B. Kelly, who disappeared shortly after he was arraigned, for obtaining property under false pretenses.

J. F. Kelly, pioneer street contractor of Richmond, who is now residing in San Francisco, and Mrs. Kelly, paid old friends in this city a visit yesterday.

TOMORROW IS BIG DAY FOR THE COUNTY AT EXPOSITION

Contra Costa County Day at the Exposition is tomorrow. Local committeemen and committeewomen, who have been working hard for the past two weeks to arrange for Richmond's participation in the ceremonies, have finished with all preliminary details, and nothing more can be done until the thousands of Richmond residents cross the bay and swell the crowd from Contra Costa.

Teamwork and the desire to have this city, the metropolis of the county, make the best showing, have resulted in things being accomplished that were far beyond the expectations of the memberes of the committees.

Frank Jackson has announced that over fifty autos from Richmond alone will take part in the big parade up Market street, which will be led by Chief of Police White of San Francisco.

Those who have positively promised that their autos will be in the line of march are: J. F. Brooks, J. A. Silvas, E. B. Smallwood, G. C. Stokes, E. M. Tilden, H. W. Wernse, E. Emanuel, L. Wierda, James P. Arnold, C. E. Bennett, W. A. Boone, J. Bouquet, W. Braine, C. M. Brewer, B. Brignone, H. F. Brwn, R. W. Byrne, W. J. Caesar, Ed Carlson, H. D. Chapman, C. M. Conan, B Carry, L. L. Farrell, J. O. Ford, J. V. Galbraith, L. G. Glenovitch, Fred N. Hartwick, Hays & Hopping, W. T. Helms, H. T. Hulin, T. P Jacobs, S. F. Jenkins, F. G. King, H. Crumback, W. A. La Selle, D. W. McLaughlin, H. W. Mergenthal, E. H. Monahan, M. Lucey, L. L. Page, J. H. Plate, J. L. Rihn, J. Rutherford and W. H. Sandford.

In order that accommodations can be made for those who are planning to be in the parade with their machines, but have not yet notified the committee, they are asked to register at La Moine's drug store at Sixth and Macdonald, Stiefvater's store on the west side, or at the car barns.

The Richmond Concert Band will leave this city at 7:30 o'clock, boarding the cars at Sixth and Macdonald. The memberes of the band are expected to meet in their hall at 7 o'clock. From the hall the musicians will march up Macdonald to Sixth.

It was announced last night by the music committee, of which R. H. Curry is chairman, that the Eagles Drum Corps will be in the parade. With the addition of the local drummers, there are now three drum corps from various sections of the county that will take part on Contra Costa Day.

Although the majority of the local delegation is planning to leave early in the morning, there will be accommodations on street cars and trains for all going at any part of the day.

Chairman Andy Trautvetter of the badge committee announced last night that the Richmond and Contra Costa badges, which everyone is expected to wear, will be distributed by members of his committee on the ferry boats. Trautvetter expects there will be plenty of badges to go around.

People from other Contra Costa towns and cities will be distinguishable by badges naming their place of residence.

It was announced yesterday that practically all the grocery stores and butcher shops of the city will remain closed all day tomorrow. La Selle & Wright, furniture dealers, have announced that they will close. The saloons will not open until 6 o'clock at night.

Through the medium of the churches of the city the children who will be Nicholl's guests have been picked, as have 25 chaperons.

Nicholl asserted last night that he is making preparations to entertain in the neighborhood of 100 at Inside Inn at the fair grounds on Contra Costa Day.

LOCAL LABOR PROMISE MADE BARBERS' UNION BY J. SNEE

James Snee, candidate for councilman, addressed a meeting of the Barbers' Union in the Labor Temple last night. He was given a hearty reception and assused the support of the members.

Among other things, Snee said: "If I am elected, I promise you I will sign no agreement giving any public work to contractors unless I have absolute assurance that local workmen will get the preference."

WRESTLERS SIGN ARTICLES FOR CONTEST ON APRIL 8

O. W. Dotson and L. E. Bucholtz, two crack wrestlers, last night met at Kirby Floyd's offices in the skating rink on Eighth street and signed articles to grapple on the night of Thursday, April 8. There will be three falls in the match. The man who gets two of the falls will be declared the winner. The men will meet at catchweights, and will battle under catch-as-catch-can rules.

The winner will get 60 per cent and the loser 40 of the gate receipts.

Kirby Floyd is promoting the match. He stated that by tonight he expects to have several fast boxers signed up. There will be two or three amateur boxing matches as a preliminary, while the wrestling will be the main event.

Although no definite announcement has been made, it is expected that "Plug" Milne, well known local boxer, will be the principal in one of the three or four round bouts.

Dotson announced last night that he will do his training in this city. He will appear at the rink tonight, and will work out with a Berkeley wrestler. Women are especially invited to see the men work out.

Bucholtz has clippings in his possession which show that he once threw Frank Gotch, world's heavyweight champion. Bucholtz is in the employ of the Western Pipe and Steel Co. i nthis city.

Dotson is a Berkeley blacksmith.

Prices for the show will be $1, 75c and 50c.

SCHOOL JOB GOES TO S.F. MAN

J. N. Long's Motion That Local Contractor Be Awarded Contract Not Seconded.

J. S. Hannah, San Francisco contractor, was last night awarded the Peres school contract.

The school board voted two to one to give the outside man the job.

J. N. Long first moved that M. B. Roberts, local contractor, who was low on the bid for the solid brick building. There was no second to the motion.

Jones then moved that Hannah be given the contract. J. O. Ford seconded the nomination.

Long said last night that he wished to be recorded as voting an emphatic no to awarding the San Francisco man the contract.

"The bonds are voted by Richmond people," he said. "Then an outside contractor is given the work and the money goes out of the city."

"The solid brick building would have unquestionably been the most desirable. The voters would not have objected to the slight difference in price."

Local sub-contractors will have to be employed on the building according to the specifications.

Hannah's bid was $10,341 for brick veneer. M. B. Roberts bid $11,393 for solid brick.

LOSES CLOTHES AFTER AIDING ERRING GIRL

Miss Edith Congdom, who recently finished a 15-day sentence in the county jail for drunkenness and then when released celebrated by drinking and creating a row at the California Hotel, is again in trouble.

This time Edith tried to become a real September Morn, and rushed from a road house at Stege and stationed herself in the center of a puddle. She was devoid of the necessary raiment and loudly proclaimed that she was September Morn.

She was taken in charge by Mrs. J. O. Wallin, 684 Fifteenth street, this city, rescue superintendent for the W. C. T. U. As a result the superintendent is minus a good dress and hat and other articles of value which she loaned the girl ,when she discovered her in the puddle.

On an excuse from the girl that she had to get her trunk from Oakland, Mrs. Wallin accompanied her to that city and after walking from place to place for a long time, the girl suggested that Mrs. Wallin sit and rest while she looked farther for the man who held her trunk. After waiting four hours for the girl to reappear, Mrs. Wallin returned home. No trace of Edith Congdon has since been reported to the Oakland police department.

To the surprise of the court, some 50 jurors and a large number of spectators, H. M. Goodrich, charged with passing a fictitious check upon John T. Work of Richmond, suddenly arose in Judge Latimer's court yesterday and entered a plea of guilty to the charge.

A few minutes before Goodrich dispnsed with the services of W. D. Grady, and the latter notified the court that Goodrich would speak for himself. It was then that the young man made his plea. Time for sentence was fixed as next Monday at 1 o'clock and Goodrich stated that he desired to bring some facts concerning his life to the attention of the court before then.

The jury was then discharged to appear again on April 7. This is Goodrich's second offense and it is believed he will be severely dalt with.

EMERSON TRIAL BEGINS IN STOCKTON

STOCKTON, April 1.—The selection of a jury to hear testimony in the case of J. C. Emerson, charged in a complaint issued by the district attorney with having dynamite unlawfully in his possession, and which according to the penal code is defined as a felony, began in Judge J. A. Plummer's court at 10 o'clock this morning with District Attorney Folts representing the prosecution.

The complaint alleges that Emerson was arrested on the allegation Sept. 29, 1914. Later Fred Wilson and Dick Carlisle were taken into custody on similar charges, but each was subsequently discharged.

Emerson has bene tried twice in the Superior Court of Contra Costa county. Disagreements in both instances resulted.

The defendant has at various times been brought to San Joaquin for arraignment and also for the date of setting his trial. He has also appeared immaculately attired; in fact, his appearance has always made an impression with court attaches. Today, however, Emerson was noticeably shabby. In place of the blue serge suit, tan shoes, white collar and hair cut, Emerson came into court accompanied by a deputy sheriff with a pair of old overalls, a gray coat and an old black hat. It was a different Emerson to the one who appeared in Judge Plummer's court one month ago.

Emerson's wife and small son were in court today.

"BOOST" ADVERTISING THAT BRINGS MORE JOB HUNTERS, CONDEMNED

At the meeting of the Building Trades Council last night the attention of the delegates was called to a full page ad published recently in a San Francisco newspaper, declaring that building was active in Richmond and that many were being put to work in the local factories.

A number of mechanics have come to officials of the local unions since the advertisement appeared and asked to be directed to some of the big jobs. With the large number of resident workmen unable to get work, the members of the unions are indignant at the publication of misleading articles and the council unanimously condemned "boost" advertising that will further glut the local labor market.

THE LAW.

Not long ago a local woan was struck on the head with a hammer by her husband.

The husband was arrested, tried and given a six months' sentence.

That neither healed the wound on her head nor solved any part of her problem.

With her husband in jail, she is without support. She is in poor health.

So she requested that probation be granted the man.

No one presumes that she likes being beaten with a hammer. But the law seems to say that she must take the beating or starve.

Which doesn't seem to be very good law.

SAY IT NEXT TIME.

Daily News readers should make it a point to patronize Daily News advertisers.

And they should always tell the merchant that they saw the ad in the Daily News.

Most of our readers do patronize our advertisers. But not all of them remember to say "I saw it in the Daily News."

The words are very easy to say and they can do a great deal of good to your paper.

They can absolutely prove that your paper has by far the biggest circulation in Richmond.

Labor papers, and particularly co-operative newspapers, are known to be the best advertising mediums.

Thus Printers' Ink, the acknowledged authority on newspaper advertising, says that a labor paper with a circulation of 10,000 is worth as much to the advertiser as any other kind of a periodical with a 30,000 circulation.

Give the merchant unanswerable proof of this by telling him that "You saw it in the Daily News."

WIELANDS WILL CLASH WITH MARTINEZ

MARTINEZ, April 1.—Yesterday Joe McNamara got in touch with Louie Lowenberg, with the result that the Wieland Independents, which were due to open the season here last Sunday, have condescended to visit us on the coming Sabbath providing the weather permits.

Make no mistake about Lowenberg's crew, for they are the fastest lot of bushers about the bay at this time. Headed by that old veteran of a thousand diamond battles, Cy Parkin, they are sure to make things warm for the local crew.

The mayor will twirl the first ball, the Boys' band will play and all of the plans made for last Sunday will be carried out the coming one provided the weather clears up sufficiently to let the grounds dry.

FINE WEATHER BRINGS HIKERS

This delightful weather of yesterday brought forth several more hikers, who will join in the Junior Sierra Club's "best yet" hike next week. The hike, which has been much discussed at the local high school, the center of the club's activities, will be from California City, the government's coal station opposite Richmond on the Marin county shore, through Mill Valley, over the Dipsea trail to Willow Camp, Bolinas, Drake's Bay, Point Reyes, and all of the points of interest in that wild and picturesque section of the state.

The latest list of those who will take the trip is: Donald Gray, Herbert Schrader, Paul Follett, Paul Smith, William Stewart, Gerald Follett, Joe Sharp, Martin Walters, James Sharp, Walter Hoffman, Roy Adams, Herbert Blake, Hugh Selvy and George Greathouse.

The bunch will leave Point Richmond by special launch Sunday morning about 7:30, and will return Saturday, April 10.

SPORTING GOULASH

Oroville, in the Sacramento Valley Elimination League, has signed up Mickey Shader to do mound duty. Shader not so very long ago was pitching for Petaluma. He was given a tryout with the Seals, but Wolverton had to let him go on account of his inexperience.

MANY ATTEND SCIENCE LECTURE

Undoubtedly the largest crowd that was ever congregated in the Lincoln auditorium listened to a lecture on Christian Science by William R. Rathvon, C. S. B., of Denver, last night. The lecturer made an interesting discourse on the fundamentals of Christian Science. William Rathvon is a member of the Christian Science board of lecturers and is a forceful, interesting and entertaining lecturer.

The speaker was preceded by Mrs. Katherine Zimmerman, president of the Richmond Club, who made several remarks relative to Christian Science, and who introduced the speaker of the evening.

PETALUMA PLANS FOR MONSTER OPENING

One week from Sunday will be a big day in Petaluma. The baseball bug, which has been hibernating in the Chicken metropolis for several months, is in evidence again up Petaluma way, and Manager Healy is laying plans for another successful season, from a percentage and financial standpoint.

Petaluma will play its first game of the year with the St. Mary's College nine, the same aggregation that the Elks are out to drub next Sunday. Big ceremonies are planned for the opener. Healy has arranged to get out the home town band, and Mayor Horwege will groove the first ball in there.

Local fans will be able to get a good line on the strength of the locals, and be able to compare them with Petaluma, as St. Mary's plays here Senday and then tangles with the Petaluma outfit a week from Sunday.

LASSATER LEADER OF PETALUMA TOSSERS

Bill Lassater will captain the Petaluma team this year. News to this effect was received here yesterday when Bill Luce opened up a marked copy of a Petaluma sheet sent him by Grandpa Healy. Lassater was one of the most valuable men on the Petaluma lineup last season, and he will be able to instill several barrels of pep into the Sonoma county club this year.

"Babe" Hollis was the captain of the Petaluma team last year, but Healy took the leadership away from him in order that he could devote all of his time and attention to the pitching end of things.

It was also stated in the Petaluma papers that "Lovey Lou" Guisto, giant St. Mary's first sacker, has signed the contract tendered him by Healy.

SUNDAY'S BATTLE CAUSES MUCH TALK HERE

It will be Brandon afainst Lefty Gordon when Umpire Jeff Woods calls the game between Richmond and St. Mary's Sunday afternoon. Without a doubt Brandon will be started on the hilltop for the invaders. Early in the week Bill Luce announced that Gordon would start. Charley Burns may be sent in along about the sixth or seventh.

As the date of the game draws near all the fans are speculating as to which team has the best chance. It seems to be the opinion of many that it is a toss up.

The Oakland Coast Leaguers beat Richmond by a score of 5 to 0, while the Christians took the college boys down the percentage column to a 6 to 0 trimming. This would indicate that the teams are evenly matched.

Editor News:

While it is a fine thing for the employers to give their employes one day in each month to visit the Fair, and while there are many employes who take advantage of the opportunity, there are many that can not do so.

The vast majority of working people can not feed and clothe their families on their present wages, let alone pay their way into the Fair.

Only a few can enjoy life as it should be enjoyed.

In order to have a good citizenship, each human being should have time and the means to develop the best that is in him. The Exposition is one grand educating medium.

But so many of us cannot take advantage of it. We are thankful that we are living in a meager way, though we are not contented with our environments.

Court Is Delayed By Stray Owl

Sitting serenely upon the back of Judge Latimer's chair this morning a large owl quietly surveyed the court room while jurors were filing in and court attaches began to prepare for the trial of H. M. Goodrich.

His light brown coating kept his from being observed until the court advanced to take his chair. Then it was that the bird started from its perch only to startle his honor and send him back to his chambers to await until the romo was cleared of all but human spectators.

Deputy Sheriff Fred Wear was given the job of capturing Mr. Owl, and did so after 15 minutes of hard work, during which he was cheered on by the jurors. The bird was placed in a waste paper basket and carried below.
